Proxy Statement for Annual Meeting of Shareholders of Universal Mfg. Co.

To Be Held November 19, 2013

SOLICITATION AND VOTING INFORMATION

The enclosed proxy is solicited by Universal Mfg. Co. on behalf of the Board of Directors for use at the Annual Meeting of Shareholders of the Company to be held on November 19, 2013, and at any adjournment thereof. The Annual Meeting is to be held at the Lincoln Country Club, 3200 S. 24th Street, Lincoln, Nebraska 68502, and will commence at 10:00 a.m. local time. This solicitation is being made by mail and the Company may also use its officers, directors and regular employees to solicit proxies from shareholders in person or by telephone, telegraph, e-mail, or letter without extra compensation.

The entire cost of this solicitation, which represents the amount normally expended for a solicitation relating to an uncontested election of directors, will be borne by the Company. Such cost will include but is not limited to legal, copy, postage, and other costs of preparing and supplying necessary originals and additional copies of the solicitation material and annual report to shareholders, for beneficial owners of shares held of record by brokers, dealers, banks and voting trustees and their nominees and, upon request, the reasonable expenses of such record holders for completing the mailing of such material and report to such beneficial owners.

Voting Rights and Outstanding Shares of Common Stock

Only shareholders of record of the Company's 851,633 shares of Common Stock outstanding as of the close of business on September 13, 2013, will be entitled to vote. Each share of Common Stock is entitled to one vote on any matter which may properly come before the meeting. This Proxy Statement, the form of proxy, and the 2013 Annual Report of the Company are being mailed on or about October 11, 2013. The 2013 Annual Report and the Proxy Statement will also be posted on the Company's website, www.universalmfgco.com, the same day.

The presence of a majority of the outstanding shares of Common Stock of the Company entitled to vote, represented either in person or by proxy, will constitute a quorum at the Annual Meeting.

All votes will be tabulated by the inspector of election appointed for the Annual Meeting, who will separately tabulate votes cast for directors or withheld, affirmative and negative votes and abstentions. Abstentions on any of the proposals or votes withheld for all director nominees will be treated as present at the meeting for purposes of determining a quorum, but will not be counted as votes cast on the proposals presented to the shareholders.

Proxy Voting

Shares of Common Stock cannot be voted at the Annual Meeting unless the holder of record is present in person or by proxy. The enclosed form of proxy is a means by which a shareholder or his or her agent or attorney-in-fact may authorize the voting of the shareholder's shares at the Annual Meeting. The shares of Common Stock represented by each properly executed proxy will be voted at the Annual Meeting in accordance with the shareholder's directions. Shareholders should specify their choices by marking the appropriate boxes on the enclosed proxy. If no choice has been specified and the enclosed proxy is properly executed and returned, the shares will be voted FOR the persons nominated by the Board for election as directors. If any other matters are properly presented to the Annual Meeting for action, the proxy holders will vote the proxies (which confer discretionary authority to vote on such matters) in accordance with their best judgment.

Execution of the enclosed proxy will not affect a shareholder's right to attend the Annual Meeting and vote in person. Any proxy given pursuant to such solicitation may be revoked by the shareholder at any time prior to the voting of the proxy. Any revocation of a proxy may be in writing delivered to the Company in advance or verbally by any shareholder in attendance at the Annual Meeting.

Proxy Voting by Street Name Holders

If your shares are held in a brokerage account or by another nominee, you are considered the "beneficial owner" of shares held in "street name," and these proxy materials are being forwarded to you by your broker or nominee (the "record holder"). As the beneficial owner, you have the right to direct your record holder how to vote your shares, and the record holder is required to vote your shares in accordance with your instructions. If you do not give instructions to your record holder by 4:30 p.m. on November 14, 2013, the record holder will be entitled to vote your shares in its discretion on the proposals that are presented and considered at the 2013 Annual Meeting.

As the beneficial owner of shares, you are invited to attend the Annual Meeting. Please note, however, that if you are a beneficial owner, you may not vote your shares in person at the meeting unless you obtain a "legal proxy" from the record holder holding your shares.

Attendance and Voting at the Annual Meeting

If you own shares of Common Stock of record, you may attend the Annual Meeting and vote in person, regardless of whether you have previously voted on a proxy. We encourage you to vote your shares in advance of the Annual Meeting date by returning the enclosed proxy, even if you plan on attending the Annual Meeting. You may change or revoke your proxy at the Annual Meeting as described above even if you have already voted by proxy.

YOUR PROXY VOTE IS IMPORTANT. PLEASE COMPLETE, SIGN AND RETURN THE ENCLOSED PROXY WHETHER OR NOT YOU PLAN TO ATTEND THE ANNUAL MEETING.

THE ENCLOSED PROXY IS SOLICITED BY THE COMPANY ON BEHALF OF ITS BOARD OF DIRECTORS. It delegates discretionary authority with respect to any additional matters which may properly come before the Annual Meeting. Although the Board is not currently aware of any additional matter, if other matters do properly come before the Annual Meeting, proxies will vote thereon in accordance with their best judgment.

ELECTION OF DIRECTORS AND VOTING

The only proposal for the 2013 Annual Meeting is the election of three directors to hold office for two years until the 2015 Annual Meeting of Shareholders or until a successor is duly elected and qualified. The following persons have been nominated: Robert E. Scott, Paul B. Luber, and Donald L. Dunn. Messrs. Scott and Dunn are currently directors of the Company. Mr. Luber has no prior association with the Company. Detailed information on each nominee is provided below in the section entitled "Information About Current Directors and Nominees." The Company did not receive any additional nominee submissions for the 2013 election.

As indicated in the proxy, where no direction is given, the proxies solicited by the Board of Directors will be voted in favor of the election of the Board's nominees listed in this Proxy Statement. Votes withheld for all director nominees will be treated as present at the meeting for purposes of determining a quorum, but will not be counted as votes in the director election. If any of the nominees shall withdraw or otherwise become unavailable, which is not expected, the proxies will be voted for a substitute nominee who will be designated by the Board of Directors. Shareholders who neither submit a proxy nor attend the meeting, along with broker non-votes, will not be counted as either a vote for or against the election of directors.

Your Board recommends a vote FOR the election of its nominees for the Board of Directors.

Cumulative Voting Description

Shareholders have cumulative voting rights. Each shareholder of record is entitled to as many votes as the total number of shares of Common Stock held of record by such shareholder at the close of business on September 13, 2013, multiplied by three (3), which is the number of directors to be elected by the shareholders. These votes may be divided among the total number of directors to be elected or distributed among any lesser number in such proportion as the shareholder may desire. Unless otherwise instructed, the proxy holders will vote the proxies received by them equally for each of the Board's nominees shown in this Proxy Statement, reserving the right, however, to cumulate their votes and distribute them among the nominees in their discretion. By marking the appropriate box on the form of proxy, a shareholder may withhold authority to vote for all of the Board's nominees. A shareholder may also withhold authority to vote for any one or more of the nominees by striking through the name (or names) of such nominees on the form of proxy. Neither shares nor proxies may be voted for a greater number of persons than the number of nominees shown below.

If a quorum is present, the three nominees receiving the highest vote totals will be elected as directors of the Company at the Annual Meeting.

AUDIT MATTERS

The Audit Committee selected McGladrey, LLC ("McGladrey") to serve as independent auditors for the Company effective April 11, 2013. Representatives of McGladrey are expected to be present at the Annual Meeting of Shareholders. Such representatives will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions from stockholders. For several prior years, Kiesling Associates LLP served as the independent auditors for the Company. After a bid process, McGladrey was retained by the Company's Audit Committee to replace Kiesling Associates LLP, and this action was ratified by the Board of Directors. During the two most recent fiscal years and any subsequent interim period preceding such change, there were no reportable events or disagreements with the former accountant on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure that would have caused the firm to make reference to the subject matter of the disagreement(s) in connection with its report.

SHAREHOLDER LIST

For at least ten days prior to the meeting, a list of the shareholders entitled to vote at the annual meeting will be available for examination, for purposes germane to the meeting, during ordinary business hours at the Company's offices. The list will also be available for examination at the meeting.
